When you see that the status of a change request is "Pending next Implementation" please refer to the date shown below.

**Next Scheduled Implementation Date:** To be Announced

---

### Special Note:

If you would like to suggest any changes to the system or notify us of any outstanding issues or bugs that are not on this list please use the "Contact" link at the bottom of most web pages.

---

**Change Request:**      **Telephone Board Plugin and Order Pickup**

Employees on the Telephone despatch boards are now able to use the website to Plugin for work and pick up their orders. This new capability has been added as an additional and complimentary way to be in touch with the Despatch Hall and will not affect traditional Plugin methods.

**Submitted By:**      BCMEA/WEBC Staff (various)  
E-Mail request (external)

**Status:**              **Completed and Implemented**

---

**Change Request:**      **New Despatches and Callback Indications on all Hall Boards - Modification**

There has been a request from the Union to only show the new despatch and callback indicators on the board(s) that an employee is on.

**Submitted By:**      Direct Union Executive request (external)

**Status:**              **Completed and Implemented**

---

---

**Change Request: Squamish Board – Extended View**

The Squamish telephone boards Weekly / YTD plugin information has been moved from the myBCMEA and has been made available, by request only, from the secure employers site.

**Submitted By:** Squamish Compliment request (external)

**Status:** **Completed and Implemented**

---

**Change Request: New Despatches and Callback Indications on all Hall Boards**

There have been requests from the User Group to include new despatch and callback indicators on all of the hall boards.

**Submitted By:** E-Mail request (external)

**Status:** **Completed and Implemented**

---

**Change Request: Bring back the Old Version of the “Live” Allocation Reports**

There have been requests from the User Group to bring back the old version of the “Live” Allocation reports for those who do not have trouble displaying the previous version.

**Submitted By:** E-Mail request (external)

**Status:** **Completed and Implemented**

---

---

**Change Request: "Live" Allocation Reports Not Displaying**

There have been a number of e-mails saying that the "Live" allocation reports are not producing any results in the report window that is generated. We are re-designing the reports so that they will be more "Browser Friendly" and will extend this re-design to all existing and future planned reports.

**Submitted By:** E-Mail request (external)

**Status:** Daily report: **Completed and Implemented**

---

**Change Request: NEW Employee Benefits Pages**

Phase 1 of the Employee benefits pages are almost ready for implementation. You will be able to view your current and historical benefits information. In phase 1 you will see benefits coverage dates, Extended Health Benefits Coverage, and the current Benefits Coverage Booklets.

**Submitted By:** BCMEA/WEBC Staff (various)

**Status:** **Project On Hold Pending Trustee Approval**

---

**Change Request: Squamish Board – Extended View**

If you are on the Squamish telephone board you will be able to view Weekly / YTD plugin information as well as Weekly / YTD shifts worked in Squamish and Outports.

**Submitted By:** BCMEA/WEBC Staff (various)  
Members request (external)

**Status:** **Completed and Implemented**

---

---

**Change Request: Plug In and Callback Information**

Telephone despatch boards will be able to view real-time plugin and callback information for each of the upcoming shifts. This combined with the ability to view despatch slips, button positions you will be able to more accurately predict the chances of getting a particular job on an upcoming shift.

**Submitted By:** BCMEA/WEBC Staff (various)  
E-Mail request (external)

**Status:** **Completed and Implemented**

---
